

# Sharpen your best pencil and grab your favorite notebook!

Join our narrator at the corner of Dearborn and VanBuren streets in downtown Chicago as she remembers the day her godmother helped her discover the art all around us...

And that's only the beginning of our adventure!

## ABOUT THE ARTISTS

**Sean Kelly & Dennis Watkins** met 10 years ago while making a play together. We've been together ever since. We adopted our son, Hal, three years ago. We live in Oak Park, Illinois, in a beautiful brick building that was once the site of a train station. Sean is a Montessori teacher and writes picture books for children. Dennis is a magician who performs weekly in downtown Chicago.

**Matthew Muñiz** is a pianist, composer, game designer and educator, as well as the founder and co-curator of The Lab; a free monthly workshop for creators. Matthew's music has been featured on Chicago artistic projects and on stages for twenty years. His music has been featured in plays, podcasts, an experimental audio book, in short films and in one feature-length zombie horror flick. Before discovering Chicago theatre, he released a full-length album and played most of the 'cool' (some might say 'small') stages in Chicago with his former bands, Voodoo & Valentine and The Live Debate! He created music for The Last Defender, an escape room by Cards Against Humanity and the House Theatre of Chicago, where his music direction and performance credits also include The Nutcracker, Verboten, and Hatfield & McCoy. Matthew is currently developing a new musical entitled Star House, and is developing two games: Apocalypse Meow and Divination RPG. When Matthew isn't making games or music, he's enjoying time hanging out with his husband, Vincent.

**Christine Bunuan** is thrilled to have you join her on this beautiful journey. You may have seen her in a few of her favorite Chicago Children Theatre shows such as A Year With Frog and Toad, Fredrick and A Hundred Dresses. She was last seen as Lady Thiang in The King and I at Drury Lane Theatre where she received a Jeff nomination for Best Supporting Actor. Her other credits include the National Tour of Miss Saigon and The 25th Annual Putnam County Spelling Bee along with Northlight, Silk Road Rising, TimeLine, Mercury Chicago, Goodman, Steppenwolf and more. Christine made co-star appearances on "Chicago PD," "The Chi," and "Somebody Somewhere." Visit [www.ChristineBunuan.com](http://www.ChristineBunuan.com) for fun facts.
